WEDNESDAY MORNING, MARCH 26, 1872.

Each city has its hangers-on of its lowest courts and as courts are multiplied so are cases in which shysters flourish. They not only determine the late of cases, but devote as much The Mobile Register properly supposes that there was an "error of words and not of intention" when they once have two victims together by the ears "wooling one another" they rush around wildly and sue out all sorts of writs, Habeas corpus, attachments, writs of repleving and supposes are the favorite implements of warfare employed, like Remington rifles by the war departments, "on the siy," against the Germans.
